Short-Term Dive Accident
Coverage Available Here!

NEW: Being a partner of the most respected diving insurance company in the world - Divers Alert Network, we offer DAN Short Term Dive Accident Coverage. Duration options are 1, 3 & 7 days, valid only within Croatia.

Please note that your first dive has to be on our house reef (from the shore). As we have mostly wall dives it's important to get confident with buoyancy and get used to different types of gear. This is important for your safety. Considering your dive experience and time since your last dive we might require a check or refresher dive.
